Computer System & Python

KV Jhunjhunu, Class- XI, [IP & CS]

Q.1 Who was develop the Python Language? *
Guido Lan Rossum
Guido Man Rossum
Guido Van Rossum
Guido Pan Rossum

Q.2 Which not the part of Computer system? *
Memory
Bus
Mother Board
Processor
None of Above

Q.3 What is full form of BRD? *
Blue Ray Diode
Blue Ray Disk
Blue RAM Disk
Blue Ray Drum

Q.4 Which is not the component of CPU? *
Mouse
ALU
CU
Memory

Q.5 The Memory 15 GB is equivalent to.......... *
15 x 1024 x 1024 x 1024 KB
15 x 1024 x 1024 x 1024 Byte
15 x 1024 x 1024 MB
15 x 1024 x 1024 KB

Q.6 Which is not the Language Processor? *
Assembler
Interpreter
Complier
None of above

Q.7 Which is not the function of an Operating System? *
Power Management
File Management
Memory Management
Process Management

Q.8 GUI stand for *
Graphical User Interpreter
Graphical User Inkpad
Graphical User Interiror
Graphical User Interface

Q.9 Which is not the example of Utility Software? *

Disk Defragmentation
Disk Format
Antivirus
Firewall

Q.10 Which is not the feature of Freeware? *

Available free of cost
Copy of software is allowed
Modification is not allowed
Source Code is Available

Q.11 Which is not the feature of Free Software? *

Available free of cost
Copy of software is allowed
Modification is not allowed
Source Code is Available

Q.12 Which is not the example of open source software? *

MS Office
MySQL Database
Linux Operating System
Python Language

Q.13 Which is not the feature of Python Language? *

Interpreter Based Language
Open Source & Freely available
Supports Object Oriented Programming concepts
GUI Based Language
Platform dependent
Case Sensitive Language
IDLE Support Language
None of Above

Q.14 What is extension name of Python file? *

.pi
.py
.pyt
.python
None of Above

Q.15 Which shortcut key is required to run the Python file? *

Ctrl + F5
Alt +F5
Shift + F5
F5
All of Above

Q.16 Which is / are the mode of Python IDLE? *

Interactive Mode
Strip Mode
Coding Mode
Running Mode

Q.17 IDLE Stands for? *
Integrated Digital Learning Environment
Integrated Development Listening Environment
Integrated Development Learning Examination
Integrated Development Learning Environment

Q.18 Which type of result produced by ALU Component of CPU? *
Boolean True
Boolean False
Both of Above
None of Above

Q.19 Who is father of Computer? *
Charles Bevan

Charles Babbage

Charles Bill-Gate
Charles Babbar

Q. 20 Which is the fastest memory in given below? *
RAM
ROM
Cache
HDD
